WORK EXPERIENCE

President, Interpol General Assembly at Colombo Model United Nations

Summer 2025

Sri Jayewardenepura Kotte, Colombo, Sri Lanka

Acted as Committee Chair for the Interpol General Assembly at Colombo Model United Nations 2025, leading more than 100 participants from across Sri Lanka in discussions on transnational crime, cyber-security, and global law enforcement cooperation. Moderated debates, graded research-based arguments, and trained delegates in diplomacy skills, negotiation, and policy-writing under real-world UN procedural workshops.

Assistant Developer, Flix 11

Summer 2023 - Summer 2024

Rajagiriya, Colombo, Sri Lanka

Collaborated with the engineering team on the development of several IoT-based smart home products, supporting tasks such as embedded programming, sensor integration, and system testing. Contributed significantly to the Smart Energy Reader project, including the design of its data-collection architecture, energy-monitoring algorithms enabling real-time tracking of household power consumption through a cloud-based dashboard.

COMMUNITY SERVICE

Founder & Fundraiser, Gateway College Colombo ICT Society

Summer 2023

Rajagiriya, Colombo, Sri Lanka

Founded and led an annual initiative within the ICT Society to raise funds for under-resourced local schools through the donation of computers and ICT equipment. Raised over 300,000 rupees within 1 year. Project is still ongoing, having completed two years of service in May 2025.
